

Does your dinner table ever look like this?

A group of 20 ninth graders could have been a challenging audience. Helen spoke right to the heart of the situations they face from dating to texting to table manners. They hung on every word while moms quietly rooted her on from the back of the room!

—National Charity League Mother, Tracy Sapien

About Eticool School and Helen Perry

Helen Perry believes in young people and teaches from the heart. Her extensive career as an image consultant to individuals in the U.S. and abroad combined with her experience as an educator and mother of three sons, has molded Eticool School into an experience that gives students a special polish that will serve them throughout life.
